

## Clean Slate | M.O.V.E. O.N. Method

**Directions:** When a student comes back to the learning environment, whether, after a one-on-one conference, the next day, or several days provide these essential steps in the re-entry plan called the MOVE-ON method.

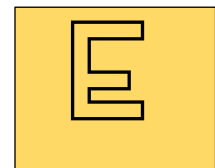

**Meet with the student in a conference.**

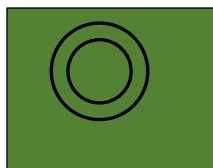

**Open up the conversation and hear the student's point of view about re-entry.**

**Validate the student's point of view by restating what was said.**

**Explain anything that is confusing or unclear.**

**Offer concrete steps for meeting expectations.**

**Nurture the student/teacher relationship.**
